WAREHOUSE JOBS

All Southern California

After taking the certification, we help you obtain warehouse jobs and we will provide you with the information about the work contact. Companies call us looking for people. We provide the companies and agencies the contact information to facilitate the jobs. Warehouses are still open and need people during this COVID crisis.

We offer three shifts: Morning | Afternoon | Graveyard

The companies pay \$15 to \$28 or more depending on experience and machine certifications.

The job is for men and women.

We do licences for 3 years also.

Licences can be done for 1 or 3 years.

"Ask for special pricing on the 3 year license"

We will always help good workers to find jobs, even if they want to find secondary jobs.

We will help you find a job.

We do on-site forklift training, licensing, certification and we also train the trainers for warehouse companies and businesses at great prices!
